CRITICAL ILLNESS INSURANCE OUTLINE OF COVERAGE

Critical Illness Insurance coverage is provided under a Group Policy that has been issued to Your Employer. One Certificate is issued to each retiree member who is covered under the Group Policy. The Group Policy is a **LIMITED POLICY**. An retiree member applying for coverage under the Group Policy is referred to herein as "you" or "your".

This is a supplement to health insurance. It is not a substitute for hospital or medical expense insurance, a health maintenance organization (HMO) contract, or major medical expense insurance.

Notice to Buyer: The insurance described in this outline of coverage is Critical Illness Insurance. Subject to the provisions of the Group Policy and the Certificate, including limitations, exclusions and submission of proof of a Covered Condition, the Certificate provides a limited benefit in the event you are Diagnosed with certain specified diseases, or have certain surgical procedures performed. The Certificate pays nothing for certain forms of cancer. See the definitions of Full Benefit Cancer and Partial Benefit Cancer, and the exclusions that apply to Full Benefit Cancer and Partial Benefit Cancer in the section titled "Exclusions Related to Covered Conditions."

It is also important to note that the receipt of benefits under a certificate may affect eligibility for Medicaid or other governmental benefits and entitlements. Accordingly, persons who wish to maintain eligibility for such benefits should not purchase the coverage made available under the Group Policy without consulting a legal advisor.

- 1) READ YOUR CERTIFICATE CAREFULLY** – This outline of coverage provides a very brief description of the important features of the group insurance coverage provided by the Group Policy and Certificate. This is not the insurance contract and only the actual provisions of the Group Policy and Certificate under which you have coverage will control. Each Certificate sets forth in detail the rights and obligations of both you and MetLife under the Certificate. It is, therefore, important that you **READ YOUR CERTIFICATE CAREFULLY!**
- 2) CRITICAL ILLNESS INSURANCE COVERAGE** – Policies of this category are designed to provide a lump sum payment if the covered person is Diagnosed with certain specified diseases for the first

time after insurance takes effect under the Group Policy, or if you have certain specified surgeries for the first time after insurance takes effect under the Group Policy.

- 3) MEDICAL COVERAGE** – This is a supplement to health insurance. It is not a substitute for hospital or medical expense insurance, a health maintenance organization (HMO) contract, or major medical expense insurance. You must have comprehensive medical coverage in place to enroll for this insurance.
