Scroll down on the page when you see your account settings

A screenshot of a web page titled "My account settings". The page is divided into two main sections: "My information" and "My communication preferences". In the "My information" section, the name "Jo Shmo" and address "1234 Wonderworld drive, Utopia Earth 123456" are listed. Below this, there is a note about updating the address and a link to "Report your change of address". In the "My communication preferences" section, there are three sub-sections: "Medicare & You handbook", "Electronic Medicare Summary Notices (eMSNs)", and "Medicare emails". A large black arrow points downwards on the right side of the page, indicating the scroll direction. A red text label "Scroll down on the page" is positioned above the arrow. A light blue box at the bottom of the "Medicare emails" section contains a message about the processing time for communication preference updates.

Select Add/Change Representatives

My representatives

You can authorize someone you trust to talk to us about your Medicare, if you aren't able to yourself.

[Add/Change Representatives](#)

Enter YOUR Medicare Information **FIRST** and then click **NEXT**

You can then add your spouse/relative/friend or child and select a time frame or permanently and what information you want to be disclosed.

Reason is

At My Request

Now in the event you are sick and cannot contact Medicare, you have authorized electronically someone else who can and they will see this on your account. Have the authorized representatives address for verification.
