BENEFIT PAYMENT

Your **Initial Benefit** provides a lump-sum payment upon the first diagnosis of a Covered Condition. Your plan pays a Recurrence Benefit⁴ for the following Covered Conditions: Heart Attack, Stroke, Coronary Artery Bypass Graft, Full Benefit Cancer and Partial Benefit Cancer. A Recurrence Benefit is only available if an Initial Benefit has been paid for the Covered Condition. There is a Benefit Suspension Period between Recurrences.

The maximum amount that you can receive through your Critical Illness Insurance plan is called the **Total Benefit** and is 3 times the amount of your Initial Benefit. This means that you can receive multiple Initial Benefit and Recurrence Benefit payments until you reach the maximum of 300% or \$45,000 or \$90,000.

Please refer to the table below for the percentage benefit amount for each Covered Condition.

Covered Conditions	Initial Benefit	Recurrence Benefit
